### Professional Skills

10+ Year customer service

7+ Years computers, computer hardware, and networking

### Specialized Software

Adobe Photoshop, Adobe Illustrator, Autodesk/CAD, Microsoft Office

### Other Skills & Abilities

Management and leadership experience

Time and resource management

Effective communication

Problem solving and strategy development

## PROFESSIONAL EXPERIENCE

### MICRO CENTER

MAY 2013 - PRESENT

As a Sales Associate I provide product based solutions to technical problems involving computers, networking, and electronics, by building a rapport with our guests and addressing their concerns in a courteous and professional manner.

### FRIENDS OF SUNDOWN

AUGUST 2018 - PRESENT

You Can Academy is a state licensed after-school program. I am a Texas HHSC Certified director. As the You Can Academy Site Coordinator, I manage an after-school program at Sundown Elementary that provides a fun and safe study environment for students in grades k-5. I also assist in the planning and promotion of community events.

## EDUCATION

### HOUSTON COMMUNITY COLLEGE

Associate in Science - Fall 2017

Graduated High Honors with an Associate Degree in Science fall 2017.

## VOLUNTEER WORK

### FRIENDS OF SUNDOWN + LOCAL NON-PROFITS

AUGUST 2014 – 2018

I have Volunteered at Sundown Elementary by assisting with various school events such as fundraisers and Junior Achievement. Assisted in leading summer program programs. Helped transport and distribute resources to the Sundown community during the Hurricane Harvey Recovery event.

## ACHIEVEMENTS

### NVIDIA CHAMPION

Selected to represent the NVIDIA technology brand and products at Micro Center's Houston location. This position requires me to provide feedback from associates and guests to the NVIDIA corporation, maintain displays, and relay information and resources from NVIDIA to my fellow associates.
